4. BIDDER PRE-QUALIFICATION REQUIREMENTS:

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement / criteria to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

4.1 TECHNICAL REQUIREMENT:

1. Bidder must be an OEM of Battery system with manufacturing facility / assembly in India. (**Self-undertaking to be submitted in this regard. TATA Power reserves the right to inspect the said manufacturing facility as a proof of compliance to this parameter**).
2. Bidder shall have supplied Lead acid plante batteries of 48V, 110V, 220V upto 1200Ah capacity for more than 5 years as on date of bid submission. Bidder must have supplied minimum 50nos of 300AH and above rating of batteries in last 3 years as on date of bid submission. (**Attach Supply List & Performance Certificates from the utilities / clients**). Indian Subsidiaries of global companies having plant in India are also eligible to bid if the qualification requirements stated above are met independently or in combination with the parent company. Declaration from parent company needs to be submitted. (**Self-undertaking to be submitted in this regard. TATA Power reserves the right to inspect the said manufacturing facility as a proof of compliance to this parameter.**)
3. The bidder shall submit Type test reports obtained from NABL/ International Accredited Lab for the equipment / material offered. The type tests should have been conducted on the equipment / material of the same design. (**Type test reports should be submitted in this regard**)
4. The type tests should have been conducted within 5 years prior to the date of bid opening. Time period for type test can be extended by another 5 years as a special case, if there is no change in design / material of construction (MOC). { **Undertaking that there is no change in design / material of construction (MOC) if Type Test Report older than 5 years but less than 10 years prior to date of bid opening has to be considered (if applicable)**}.
5. In case the type test reports furnished are not for the quoted equipment / material but for the equipment / material with higher voltage class and/or different capacity, then type test shall be carried out for the offered equipment / material from NABL / International Accredited Lab without any cost implication to the owner and the Type Test reports shall be submitted before despatch of the equipment / material. { **Undertaking that type test shall be carried out for the offered equipment / material from NABL / International Accredited Lab without any cost implication to the owner and the Type Test reports shall be submitted before despatch of the equipment / material, in case type test reports furnished are not for the quoted**

equipment / material but for the equipment / material with higher voltage class and/or different capacity, (if applicable)}

6. In case the package involves installation & commissioning of the equipment /material, then the bidder shall have the following experience :-
 - a) Bidder should have successfully supplied & commissioned **one single order** of value 35.28 Lakhs in last 3 years.
 - b) Bidder should have successfully supplied & commissioned **two single orders** of value 22.10 Lakhs in last 3 years.
 - c) Bidder should have successfully supplied & commissioned **three single orders** of value 17.64 Lakhs in last 3 years. **(Attach Purchase Order copy, Certificate of Experience and Satisfactory Completion of work awarded from concerned Establishments / Companies).**
7. Bidder should furnish List of Clients for whom they have done Survey works during the last 3 (Three) years as per nature of contract. **(Attach Performance Certificates from the utilities / clients)**
 - a) Bidder / Tenderer should preferably have ISO 9001 / ISO 14001 / ISO 45001 certification or must give an undertaking for its willingness to obtain the same within **2 months** of qualification for the work.

4.2 FINANCIAL REQUIREMENT:

1. Bidder / Tenderer should have minimum Average Annual Turn-over of Rs. 70 Lacs (Indian Rupees Seventy Lacs) during the last three financial years i.e., FY 2020 -21, FY 2021 -22, FY 2022 -23. **(Attach Profit & Loss Certificate with UDIN from Chartered Accountant in this regard)**

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason. The tender may be split in more than one parties at the discretion of Owner.

5. BID SECURITY / EMD:

Interested parties to note that Bidder will be required to furnish a Bid Security along with their Bid, in the format prescribed in Bid Document **in the form of Bank Guarantee or through RTGS or Demand Draft**, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during Bid Submission stage once RFQ is released to the interested parties that have submitted a valid EOI.

6. BIDDING PROCESS:

Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.

Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document.
