

## ADVOCACY POLICY

At Tata Power, we believe that effective advocacy would help enhance the competitiveness, growth and effectiveness of our organization as also positively contribute to the development of the sector and country that we operate in.

The key areas that Tata Power shall advocate and support in formulation of policies/regulations are:

- Institutional and Regulatory framework of sector
- Economic and sector development reforms
- Development of competition and markets
- Energy security
- Sustainability - Environment and Community
- Safety

The Tata Code of Conduct guides the employees and the company's efforts on Advocacy to:

- Exhibit professionalism, honesty, integrity, openness and transparency
- Conform to high moral and ethical standards
- Comply with all applicable laws and regulations
- Engage responsibly in stakeholder consultation through industry associations
- Provide fact based information, knowledge and technical expertise to the policymakers and regulators
- Respect the sanctity and confidentiality of all the information obtained in the course of advocacy efforts
